Level of Insurance to Request

Let your agent know that you need a H03 or equivalent (H05 is better if affordable to you), full replacement costs of purchase price or more, and liability in \$300,000 per occurrence and in the aggregate.

IMPORTANT: Add CVHT as Additional Insured

This is a requirement of the Ground Lease.

Let your agent know that you need to add CVHT as an additional insured via form HO 04 41 or its equivalent.
